This appointment is subject to applicable federal and State of Georgia laws and to the policies and regulations of this institution ([available online at www.kennesaw.edu](http://www.kennesaw.edu)), the by-laws and policies of the Board of Regents ([available online at www.usg.edu](http://www.usg.edu)), the policies and procedures of Kennesaw State University, and if applicable, to the terms of the grant or contract under which you will be working. This appointment contract comprises the entire Agreement between the parties and cannot be changed or modified unless agreed to in writing by all the parties to this Agreement.

COURSE CREDIT HOURS and TUITION WAIVERS: During the Summer semester graduate students must register for a graduate course(s). The Graduate College will not waive more than 24 hours of tuition in an academic year (Fall, Spring, Summer) and will not waive more hours than required for the degree, not including any prerequisite courses. Only graduate tuition may be waived.

HIRING-IN PROCESS: Sam Garbe, Human Resources' Program Coordinator for Student Employment, will reach out to you with further instructions about the onboarding process when he receives your hiring paperwork from the graduate college. If you have worked for KSU previously and are unsure if you need to complete this process again, he can be reached at sgarbe@kennesaw.edu or 470-578-3948. Please note that Graduate Assistants are required to attend HR onboarding, and cannot be paid until this final step has been completed. **Onboarding must be completed by May 13, 2024**

PAYMENT OF FEES: Each Graduate Assistant pays a special tuition fee of **\$25 per semester**, as well as all student fees, and the cost of mandatory health insurance if the Graduate Student is not eligible for a health insurance waiver. A waiver of the health insurance fee may be applied for directly with **United Health Care at: studentcenter.uhcsr.com/Kennesaw**. Graduate students that are enrolled in one of KSU premium-priced programs will be required to pay all tuition and other costs of these programs in excess of standard graduate in-state tuition. Failure to pay by the tuition payment deadline will result in classes being canceled as well as employment in this position being terminated.

STIPEND: The hourly stipend amount will be paid on the biweekly payroll cycle. The payment of compensation provided for herein is contingent upon the continued availability of funds for personnel services under the General Appropriations Act.

WORK ASSIGNMENT & HOURS: Unless otherwise noted in writing and attached to this document, you are contractually obligated to the university, college, or department to which you are assigned during the period of the appointment. The assistantship requires that the Graduate Student works no more than **40 hours** per week based on assignment. Supervisors should take the students course load into account when setting their weekly work hours. The faculty supervisor will provide assignments to be completed in a timely manner. Regular meetings between the faculty supervisor and the Graduate Student should take place to assess progress on the project and for the Graduate Student to receive any new assignments. The supervisor will submit an evaluation of the quality and outcome of the project and completed work at the end of the term and will provide documentation of the number of hours devoted to the project by the graduate assistants. **While working as a graduate assistant you may not be employed in any other position within the University System of Georgia.**

TERMINATION OF CONTRACT: This contract will be terminated immediately if the Graduate Assistant fails to meet the requirements of the contract as determined by the faculty supervisor. A Graduate Assistant wishing to resign must submit a letter of resignation to the Graduate Dean and their Faculty Supervisor. **In both circumstances, compensation will cease upon termination and the Graduate Assistant may be required to reimburse the university for tuition waived for the semester using the guiding principles detailed in the Graduate Assistantship guidelines.**
